

Directions from San Diego International Airport (Lindberg Field)
to the Gilman Parking Structure and
the Center for Magnetic Recording Research (CMRR) building:

Exit Airport on **N. HARBOR DRIVE** (toward Downtown);

Turn **LEFT** at **LAUREL** Street;

Turn **LEFT** at **INDIA** Street;

Bear **LEFT** into the **I-5 NORTH** entry ramp;

Continue on **NORTHBOUND INTERSTATE 5** and **Exit at La Jolla Village Drive** and turn **LEFT onto La Jolla Village Drive** (then stay in the right lane);

From La Jolla Village Drive turn **RIGHT onto Villa La Jolla Drive** (then stay in the left lane);

At the 2nd traffic light (**GILMAN**) proceed straight into the **GILMAN PARKING STRUCTURE** (corner of Gilman and Russell Lane).

Continue straight past the metered parking spaces and turn left (it's a U-turn). Short-term/visitor parking is on the right. Park your vehicle and following the signs to the Parking Office on the Russell Lane side of the building where you can purchase a parking permit (**good in GREEN (B) and YELLOW (S) spaces only**).

To walk to CMRR, exit the parking structure on the Russell Lane side and turning to the right, continue on Russell Lane. Cross Lyman/Outback and continue straight on the walkway between the buildings. Cross Matthews Lane at the pedestrian cross-walk (there is no street sign). Continue on the walkway between the buildings to the open plaza area (you will see the 7-story Jacobs School of Engineering building directly across the plaza from the CMRR Building). Turn to the left and walk a few yards further to find the CMRR Building entrance.
