CMRR’s Fall 2015 Research Review took place on Thursday, October 8, 2015 and Friday, October 9, 2015. The event was a huge success! CMRR members got a chance to share their research with the attendees of the event. Eight members of CMRR submitted great posters, and one of them was voted as the winner. Congratulations to CMRR’s Youyi Fu on winning the Poster Award for the Fall 2015 Research Review!
