1. Safety

1a. Internal User Safety Requirements

- I. Each user must schedule and attend an **equipment training session** with the assigned equipment manager. Contact the equipment manager listed on the CMRR website to schedule a training session.
- II. UCSD internal users are expected to attend the **UC Laboratory Safety Fundamentals online course** via UC Learning before using the recharge facility.

2. Resources

2a. UCSD Environment, Health, and Safety:
